

## Information

A stated member of the Dark Seers can take the title of Priest.

- Eminent High Priest: Kiara (Human)

## Background

The Dark Seers are a Sect dedicated to the Evil Sphere. They use their power to conceal those secrets that they do not want others to know about. The invocations taught by the Sect tend not to be directly offensive in nature, much like the Seers themselves. Individual Seers vary in personality and appearance but tend to be intelligent and observant. If one can tolerate their secretive ways they can make fine scribes and information gatherers within a group and are capable of learning many skills used to identify potions or discern afflictions.

## Guildmembers

The Dark Seers power base is its High Priests.

- Yana - Leader of the YMCA

## Requirements to Join

The Dark Seers will accept for membership anyone who agrees to provide a full account of all of their missions in writing. Failure to uphold this agreement will be dealt with accordingly. Any information omitted will be considered a failure.
